## SUPER WEEK SIX!

We started the week with a "Sunny day, sweeping the clouds away" on SESAME STREET DAY, and sported our LakeView "ink" for TATTOOS-DAY! We were all seeing RED on Wednesday, when we wore the COLOR OF THE DAY, and brightened up Thursday for NEON DAY! We loved seeing everyone in their costumes for HALLOWEEN DAY, and enjoyed our parade and the festivities of the day! Wishing you all a fun-filled weekend, and we'll see you back at camp on Monday for STAR WARS DAY!

Kari, Jon and the LakeView Team

## I LOVE LVDC!

You can refer to the e-mail sent home this week for details and information about specific school supplies we are collecting. Feel free to drop off backpacks or send them on the bus with your camper any time during Week 7!

## Featured Divisions 1<sup>st</sup> and 2<sup>nd</sup> Grade Girls

**First Grade Girls** are having lots of fun with Division Leader Karin and counselors Maya, Mabel, Rose, Natalie, Nicka and Raven, in their magical bunk (full of unicorns, fairies and mermaids)! G1 campers are kind and full of LakeView spirit this summer, and love spending their time at Dance, Bungee and Outdoor Adventure!

Lindsay's energetic and bubbly **Second Grade Girls (also known as the "G2 Crew!")** are having a fantastic summer in their fiesta-themed bunk -- because "it's always a party in G2!" They love Dance, Outdoor Adventure and Lanyard & Jewelry with counselors Erin, Olivia, Kaitlyn, Leslie, Shelby and Nicole.

### This Week's Featured International is Michal

Michael joins us for a second summer at LakeView from Solec Kujawski, Poland. Michal wears two hats this summer – working in the kitchen and as a Soccer Specialist.

Michal says he's glad he came back to camp – "It was a really good time last year, and every day I experience new things. And there's a good energy here!"

After camp, Michal plans to travel to California, Arizona and Nevada before returning to his job as a soccer coach in Poland.

## Senior Adventure Overnight Week

Seniors had the opportunity to spend this week at camp (nights too!) for some extra adventure!

After a regular camp day on Monday, campers enjoyed an evening cookout, then a singalong by the campfire before sleeping under the stars in tents. The rest of the week brought more adventure fun – scavenger hunts and evening movies, laser tag and archery tag. Geocaching and live-action Fortnite rounded out the weekly activities! The campers had so much fun spending the week here at LakeView.
